**Launch Only Privilege** with south side Yard Storage May thru October: 300

**Dock Box Rentals** for pontoon, motorboat, and S Row hoists: 245

The Club does not rent electric (except 5000# hoists) and/or hydraulic hoists, canopies, or hoists with side rails.

Midwest Sailing is prepared to sell new hoists or retrofits with battery powered winches, canopies for motor boats, and hoist side rails. Used hoists are generally available for sale between November 1 and March 15.

### Notes:

1. This hoist MIGHT work for Tri-Toons if under 3600# with inside dimension of at least 50" from outside pontoon to outside pontoon if middle pontoons flange mount permits.
2. If you your tri-toon or motorboat requires a hoist width of more than 110", please call the PYC office for price.
3. Used hoists come with a new hoist warranty.
4. Guide Posts supplied instead of Hoists for Pontoons with Sea Legs - \$350 annually
5. Includes pipes applied to the berth to guide the pontoon's berthing. Sea Legs are not encourage - damages the lake bottom.
6. Toon may need passengers unloaded at adjacent Transient Dock before berthing because of lake level fluctuations.

*If you purchase a hoist from a source other than Midwest Sailing, you must confirm with PYC that it will fit!*

**Midwest Sailing** (same phone number) is our sister company located directly across the road and does most of our marina maintenance and has year-round field storage. Their boat store has some general boating supplies and almost anything one would need for a sailboat as well as sells docks and boat hoists. They also do repairs (engines and winterization are sublet) and installation. [www.ms-pyc.com](http://www.ms-pyc.com) lists all of their services.

**Payment** is accepted by cash, check, and credit cards from Visa, MasterCard, and Discover. Visa, MasterCard, and Discover cards will receive a 4% auto-upcharge and American Express Card is not accepted (even if you left home with it).

Categories, dues and initiation fees are subject to change without notice. All applicants, including those on a waiting list, will be subject to the fees and conditions of membership in effect at the time the membership is accepted. rev. 11/30/24
