## **A SPECIAL MESSAGE FROM THE BOARD MEMBERS**

As all costs continue to rise, so do fireworks prices. We are looking at a 20% increase this next year, at least, and in order to maintain the level of show we've had, we will need to raise more funds. Please keep that in your considerations when making your donations!

An issue of duplicate mailers has been brought to our attention. Please know that we use several different sources for addresses and it is next to impossible to match and weed out all duplicates. Should you receive a duplicate please consider passing the extra to a friend or neighbor who may appreciate the opportunity to donate on their own!
