Thank you to everyone who continues to support us. Please encourage your neighbors, guests and friends to donate. The cost of fireworks and the regulations for the show keeps going up. We are hoping that you can help us replenish our fireworks fund to insure the continuation of our top notch 4th of July Tradition.

We need your help!

Please spread the word and get your friends and neighbors to donate. Your fireworks show is one of the best in Michigan. Let's keep it that way!

Help us keep the show growing by:

- ❖ Passing the hat at your parties
- ❖ Encouraging your neighbors to donate
- ❖ Sharing this newsletter
- ❖ Spreading the word that donations keep the show going

Make a contribution of at least \$100 that will be acknowledged on the PLACSO website:

"In Memorandum" In memory of friends you have lost.

"In Honor Of" In honor of a special person or event.
